

2020 CHALLENGE BATHURST

EVENT DATES 26 TO 29 NOVEMBER

MERCHANDISERS & TRADERS PROPOSAL

Background and General Information

The fifth annual Challenge Bathurst (Event) will be held at Mount Panorama, Bathurst over the period 26 to 29 November 2020. The Event will incorporate a two-day 'super-sprint' activity and a two-day 'regularity' activity. The first ever-motor race was held at Mount Panorama in 1938 and the circuit is only able, by Act of Parliament, to be fully closed five times a year. Challenge Bathurst does not comprise any 'racing' per se. Rather, the Event provides an opportunity for a various levels of drivers to drive their performance race car in the 'sprint' component or in the 'regularity' component.

Merchandisers and Traders (Tenants) will have up to **160** 'super-sprint' competitors to target on the first two Event days and up to **275** 'regularity' competitors to target on the second two Event days. There is no charge for spectators to attend the Event however very few are expected. Over **400** competitors attended last year's Event and we anticipate in excess of 400 again this year.
